

SBH Newsletter 2020 n°3– November

Dear members of Shared Built Heritage,
colleagues and friends,

The outgoing board of SBH hopes that this Newsletter meet you well in the difficult Corona times and would like to inform you today about the status of the preparations for the election to the new board. The list for applications for candidacy was closed on October 31, 2020

After having received no new nominations during the extended period until the 31st of October for the candidacy for the upcoming board elections of ICOMOS SBH, and as November 1, 2020 has dawned all over the world – albeit a little grey and cloudy day in Germany, which is, however, always brightened by beautiful autumn colours, as you can see in my autumn garden. – I shall send to you the list of candidates and their application documents for the candidacy. We hope that this will give you the opportunity to get an idea of the candidates that most of you know personally.

We are happy and extremely grateful that for all positions on the board a candidate has been found, and even two for the post of president. This ensures the continued existence of the committee! I am happy to present the **List of Candidates**:

Candidates for the post of President

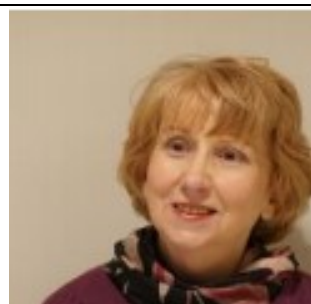

Maria José de FREITAS
ICOMOS Portugal
(Macao)

Reasons for Candidacy as President of ICOMOS ISC-SBH

Living between Macau and Portugal, I hereby present my candidacy as President of ICOMOS ISC-SBH because I believe that I can pursue further the meaning of shared heritage, its protection and the benefits of making use of it. I am a person committed to safeguarding and promoting heritage inheritances, namely those shared by people of different cultures, and I am determined to protecting our cultural legacy. Moreover, I am able to work with multidisciplinary teams, instilling my enthusiasm and motivation to promote a good patrimonial protection of cultural heritage. Together with a group of expert members we prepared an action plan for the next 3 years and we put it to the consideration of all members of ISC-SBH with all transparency, expecting the approval and success of what we believe in.

ICOMOS INTERNATIONAL SCIENTIFIC COMMITTEE ON SHARED BUILT HERITAGE

**Susan JACKSON-
STEPOWSKI**
ICOMOS Australia

Shared Built Heritage vision

‘Colonialism’ has become an increasingly contested era of modern history. And yet the built fabric that tells the story of cultural overlays is increasingly important. SBH continues to open dialogues with others about understanding of these contexts, of how and why events occurred, and how the world is interconnected through occupation, migration, changing borders and flow of ideas and technologies.

I will continue the active role SBH has played in bringing peoples together, to share their knowledge, and promote conservation of their built environments. I will maintain my active role with the Scientific Council, and maintain my working relationships with other ISCs and national committees’ members.

Candidates for the post of Vice President

**Prof. Dr. Romeo
CARABELLI**
ICOMOS France

Candidacy as VP of ICOMOS ISC SBH

During the last two years I realised I’m interested in being pro-active in the SBH because of several reasons; among them the chance to interchange with several experts having professional path really different from my one even if concerning a similar topic. With the direction on my workplace, I discuss in order to have a small slot of free time to invest in this activity. A squad of SBH members is presenting a common proposal and I contributed in writing it; I agree to that programme and I will participate to improve it. Nevertheless, I would confirm a special interest in the section knowledge (organisation and) production, because we need to follow up the transformation of the “shared heritage” notion and the exchanges inside and outside the ICOMOS sphere of influence.

Dr. Ai Tee GOH
ICOMOS Malaysia

My Proposal for Triennial Program 2021-2023

1. To continue same spirit in organizing conference/ workshop/ seminars in order to build up an international network of experts working on or with Shared Built Heritage.
2. To organize in ISC SBH study tour annually, and preferably (due to logistic and budget limitation and encourage more participation of ICOMOS members) at the same country of the ICOMOS AGM
3. To arrange the ICOMOS ISC SBH Annual Meeting within the period when ICOMOS AGM is arranged.
4. To Co-operate with other ICOMOS ISCs or NC for organizing Symposium or Conference relating to a common topic, i.e. Dutch/ English Urban Planning, Portuguese/ Persian/ Moorish Architecture etc
5. To nominate EPWG member to collaborate nationally and internationally during the 2021-2023
6. To improve ways of dissemination of knowledge gains from the SBH study tours and conference/ seminar/ workshop, guidelines, and reports. These include annual report, publication, website, and physical annual exhibition/ road show during the AGM.

Candidate for the post of General Secretary

Dr. DING Yuan
ICOMOS China

Reasons for Candidacy as Gen. Secretary

- Devotion to the work of Shared Built Heritage conservation,
- Experience on group organization and capacity building,
- Experience on organizing large/small workshops, symposia and conferences,
- Experience on organizing study tours and other activities,
- Experience on building and managing websites, such as: www.crossoverforum.com and www.heritagewuhan.cn
- Willingness on recruiting young professionals.

Please find attached the application forms of the candidates and their nomination of their respective NatCom's for your information and convenience.

The information about the candidates is intended to enable those 'non-voting' members of national committees who have several members on our committee to contact their respective voting members to discuss the election. The voting member list for those NatCom's which have several members in our committee can be found here. If you wish to get in contact with "your voting member" please do not hesitate to do so. The office of your NatCom will be happy to provide the contact information.

Australia		Ms.	JACKSON- STEPOWSKI	SU
Canada		Mr.	WARD	Jo
China	Prof.Dr.	Mr.	DING	Yu
Finland		Ms.	BÖÖK	Ne

India		Ms.	BOSE	Ka
Malaysia	Dr.	Ms.	GOH	Al
Morocco		Mr.	CHEBRI	Ab
Netherlands		Mr.	GOES	Be

The documents for the election of the new board of ISC SBH were presented today to Mr. Nitin Sinha, Vice President of ICLAFI, who kindly agreed to conduct the election. He will contact the voting members in the next few days and schedule the election process.

This will probably be the last newsletter of the outgoing board of ISC SBH, which has been responsible for the work of the committee since 2009 and thus in the service of the preservation and conservation of Shared Built Heritage. We thank all members who have actively helped us. It was an interesting and nice time that we would not want to miss. I wish you all continued great commitment and success in coping with these important and interesting tasks, which are so important at the present time for the extremely important task of mutual understanding and peaceful coexistence!

ICOMOS INTERNATIONAL SCIENTIFIC COMMITTEE ON SHARED BUILT HERITAGE

We hope that you continue to be well and send best regards from

Darmstadt, Sydney and Ottawa
for the Board

Sincerely yours

Dr. Siegfried RCT Enders,
outgoing President,
ICOMOS International Scientific Committee on Shared Built Heritage

Darmstadt, 01.11.2020
